## **GENERAL CONDITIONS AND REGULATIONS**

SHB(GB) Rules as printed in the Show Regulations apply to all Classes

### **INTRODUCTION**

The Council of the Society has wide powers to discipline members and competitors in shows run by or affiliated to the Society in the event of failure to observe any provisions of the general rules and any other regulations, general rules or bye-laws made by the Council from time to time.

Every member of the Society has, by becoming a member, agreed to be bound by the Memorandum and Articles of Association of the Society and all rules, regulations and bye-laws made thereunder. For the avoidance of doubt, Owners, Riders and Producers of horses competing in Hunter Classes run in accordance with these General Rules must all be members of the Society. All horses exhibited must be duly registered with the Society unless these rules state otherwise.

The Society, its officials and judges, accept no liability in respect of any horse or its exhibitor or other person responsible for it however arising at a show or other event held under the Society's rules and regulations. Neither does the Society, its officials or judges, accept any financial responsibility for its or their decisions.

Owners should ensure that they and those in any way involved with their horses at any show are aware of these General Rules.

### **DISCIPLINARY COMMITTEE**

The Disciplinary Committee shall be appointed by the Council of the Society and shall comprise such members of the Society as the Council shall decide but so that at least three members of the Disciplinary Committee shall sit on any hearing.

Any breach of these General Rules must be brought to the attention of the Society within fourteen days when the alleged breach will be referred to the Disciplinary Committee. A reference by any person other than an Official of, or appointed by, the Society or a representative of an affiliated Show shall be accompanied by a deposit of such sum as shall from time to time be agreed by the Society, which will be forfeited if the reference should be considered by the Disciplinary Committee to be frivolous. The Disciplinary Committee shall determine whether there has been a breach of these General Rules and if in its opinion there has been such a breach it will decide either to take no further action or to impose such penalties as it thinks fit including financial penalties and suspension of membership. Such decision will be confirmed in writing to the applicant on request.

The Disciplinary Committee may in its absolute discretion order the person against whom an allegation has been made, or the person making an allegation, to pay all or part of the costs incurred by the Society in investigating and determining whether or not there has been a breach of the General Rules.

### **DOPING AND DOPE TESTS**

The presence in any form or quantity, in a horse being shown, of a substance which could, by its nature, affect its performance, is forbidden. Sport Horse Breeding of Great Britain may cause tests to be carried out at this show on a random basis. The specific rules with regard to doping and dope tests are as per pages 9 - 11 inclusive of the 2010 Show Regulations or 17 - 19 inclusive of the 2010 Members Handbook and any breach thereof constitutes a breach of the General Rules. Copies available from the Secretary.

### **OWNERSHIP**

The person in whose name the horse is entered will be held responsible for abiding by the General Rules and Regulations of the Show concerned and indemnifying it against any claims for damages, etc., which may arise. Horses registered with Sport Horse Breeding of Great

Britain or any other Authority must be shown with their registered name, age and description. **A change of name is not allowed. Anyone concealing a previously registered name will be disqualified.** If a Horse changes ownership after the closing date of entries, it can be exhibited in the name of the new owner provided it is re-registered with Sport Horse Breeding of Great Britain before the catalogue is printed. The person signing the registration form is taken to be the rightful owner of the horse or the owner's properly authorised representative. On being made aware of any dispute over the ownership of a horse, the Society will make no amendment to its existing records until the dispute has been resolved by the parties concerned.

## DESCRIPTIONS

It is the responsibility of exhibitors to ensure that the information given on show entry forms is accurate.

## AGE

All ages date from 1st January, e.g. a foal becomes a yearling on the first day of the January following that of its birth.

## SUBSTITUTES

Only entries actually printed in the correct Class in the Show Catalogue are eligible to compete. No substitution of a horse is allowed after the closing date of entries.

## TACK

No tack may be worn which in any way conceals an animal's conformation. No rugs, clothing or item of tack that reveals the identity of a horse or owner may be worn in the show ring. The Society is in favour of four-year-olds being shown in snaffle bridles.

## HEADWEAR

Anyone on a horse at an Affiliated Show must wear a hard hat.

A skull cap or hat and safety harness according to the current BSI or European Standard must be worn by ALL competitors in jumping phase of Working Hunter and Ridden Sport Horse Classes. Skull caps must have a navy blue or black cover. In all other classes, including in hand, it is **STRONGLY RECOMMENDED** that competitors aged 18 or over wear skull caps or hats in accordance with the current approved BSI or European Standard in order to minimise risk of head injury. It is mandatory for competitors under the age of 18 to wear such skull caps or hats.

## AMATEUR

A person is an amateur for showing purposes, when showing ridden hunters in an amateur class, if he or she does not:

- a) Engage in livery, buying, selling, dealing or hiring horses as a means of deriving a main source of income. Since 1st January 2008.
- b) Accept remuneration whether it be monetary or goods in kind for employment in connection with horses in a racing, showing or livery stable or riding school (instruction at Pony Club and Riding Club excepted). Since 1st January 2008.
- c) Show a horse owned or sponsored by a company or commercial firm, or a horse for which his or her immediate family accepts livery or training charges from a person outside the immediate concern. Since 1st January 2008.
- d) Show a horse which a professional rider has qualified in the Weight or Small Ridden Hunter Classes for either the Horse of the Year Show or the Royal International Horse Show during the current year, unless the horse has subsequently been re-registered under new ownership.

- e) Professional show persons must not enter the Amateur Ring whilst the classes are in progress.
- f) A professional rider must not ride or exercise an amateur's horse on the day it is competing in amateur classes.

### SAFETY/INSURANCE

The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

### DOGS

Dogs will only be permitted in the car and lorry parks. Dogs will not be allowed in the competition or public areas, or the cafeteria and stables by the indoor school.

### OBJECTIONS

Objections of any kind must be made in writing, and delivered to the Secretary, within one hour of the close of the judging of the class concerned, accompanied by a deposit of Two Hundred & Fifty Pounds, which deposit will be forfeited if the objection should prove to be frivolous. The Objector must also state the particular and precise character of his objection. All objections will be decided by the Stewards, whose decision will be final.

### PRIZES

Judges have the power to withhold any prize in cases where they consider the exhibits to be of insufficient merit.

There will be no parade of prize winners, so unless required for a Championship or for the Produce Group Class, horses can be removed from the Showground as soon as the class in which they are entered has been judged.

### ENTRIES

In the event of the total number of entries received exceeding the accommodation at the Society's disposal, it reserves the right to return any entry fee before the opening of the Show without being liable for compensation.

The Society reserves the right to amalgamate classes in the event of insufficient entries. Every effort will be made for classes not to clash, but once a class has started a horse cannot leave the ring to compete in another class and then return to the original class.

### VETERINARY EXAMINATION

There will be no veterinary examination in connection with the Show but Judges are empowered to call upon the services of one of the Official Veterinary Surgeons if there be any doubt as to the soundness of any exhibit.

### STABLING

Stable hire is charged at a cost of £40 per stable per night, £65 for 2 nights and £90 for 3 nights and runs from 5pm to 5pm on the subsequent day (the hire charge includes some bedding). ## **DIRECTIONS TO ADDINGTON MANOR EQUESTRIAN CENTRE**

Addington Manor is just off the A413 between Buckingham and Aylesbury. Addington STRONGLY RECOMMEND approaching the facilities from the A413, especially if driving a horse box or with a trailer.

**FROM AYLESBURY:** Leave Aylesbury on the A413 towards Buckingham. Continue on this road through Whitchurch and Winslow. After leaving Winslow continue past the turning for Gt. Horwood (on the right), and the turning leading back into Winslow (on the left). Continue for 1 mile and take the turning on the left for Addington. The Equestrian Centre entrance is 50 yards down the road, on the right-hand side.

**FROM BUCKINGHAM:** Leave Buckingham on the A413 towards Aylesbury. Continue through Padbury and past the turning on the left for Adstock. About 1 mile after this turning, turn right onto the Addington road. The Equestrian Centre entrance is 50 yards down this road, on the right-hand side.
