## **GENERAL CONDITIONS AND REGULATIONS**

SHB(GB) Rules as printed in the Show Regulations apply to all Classes

### **INTRODUCTION**

The Council of the Society has wide-ranging powers to discipline members and competitors in shows run by or affiliated to the Society in the event of failure to observe any provisions of the Rules and any other regulations, or bye-laws made by the Council from time to time.

Every member of the Society, by becoming a member, agrees to be bound by the Memorandum and Articles of Association of the Society and all rules, regulations and bye-laws made thereunder.

All horses exhibited in Hunter & Sport Horse classes run in accordance with these Rules must be duly registered with the Society unless these rules state otherwise. Owners, Riders and Producers of horses competing in specified Hunter classes run in accordance with these Rules must be Members of the Society.

Members of the Society, whether acting as officials or Judges of the Society or otherwise, must not act in any way derogatory to the character and reputation of the Society or prejudicial to the interests of the Society.

### **LIABILITY**

The Society, its officials and judges:

- accept no liability in respect of damage to a horse or its exhibitor or other person responsible for it (save as provided by s.2(1) Unfair Contract Terms Act (UCTA) 1977) at or en route to a show or other event held by the Society.
- accept no liability in respect of damage arising from a horse (save as provided by s.2(1) UCTA 1977) at or en route to a show or other event held by the Society.
- accept no liability for financial loss for its or their decisions at or in respect of a show or other event held by the Society.

Owners and those otherwise responsible for horses must ensure that they and those in any way involved with their horses at any show or other event held by the Society:

- are aware of these General Rules and, in particular, the Society's exclusion of liability above.
- have adequate third party insurance cover.
- save as provided for above, participate at their own risk.

### **DISCIPLINARY COMMITTEE**

In accordance with Article 6.4 of the Society's Memorandum & Articles of Association

The Disciplinary Committee shall be appointed by the Council of the Society and shall comprise such persons as the Council shall decide but so that at least three members of the Disciplinary Committee shall sit on any hearing.

The Disciplinary Committee may consider whether a Member has breached the Rules either of its own motion or, in accordance with rule 5.3, on a breach of the Rules being brought to the attention of the Society.

Any alleged breach of these Rules must be brought to the attention of the Society within 21 days when the alleged breach will be referred to the Disciplinary Committee. A reference by any person other than an official of, or appointed by, the Society or a representative of an affiliated Show shall be accompanied by a deposit of £100 or such sum as the Council shall decide, which will be forfeited if the reference should be considered by the Disciplinary Committee to be frivolous.

The Disciplinary Committee shall determine whether there has been a breach of these Rules

by a method of enquiry at its discretion. If in its opinion there has been such a breach it will decide to take no further action or to impose such penalties as it thinks fit including financial penalties and suspension of membership, or to recommend to the Council that it determines to remove membership from the Member in accordance with Article 1.5.4 of the Society's Articles of Association.

The decision of the Disciplinary Committee will be confirmed in writing to any person who has referred the matter to the Society and to the Member to whom the decision relates.

The Disciplinary Committee may in its absolute discretion order the person against whom an allegation has been made, or the person making an allegation, to pay all or part of the costs incurred by the Society in investigating and determining whether or not there has been a breach of the Rules.

When investigating allegations and/or findings of doping, the Disciplinary Committee will conduct its proceedings in accordance with the rule 23 c (Doping & Dope Tests, Penalties as per pages 9 – 11 inclusive of the 2011 Show Regulations or 17 – 19 inclusive of the 2011 Members Handbook).

#### DOPING AND DOPE TESTS

The presence in any form or quantity, in a horse being shown, of a substance which could, by its nature, affect its performance, is forbidden. Sport Horse Breeding of Great Britain may cause tests to be carried out at this show on a random basis. The specific rules with regard to doping and dope tests are as per pages 9 - 11 inclusive of the 2011 Show Regulations or 17 - 19 inclusive of the 2011 Members Handbook and any breach thereof constitutes a breach of the General Rules. Copies available from the Secretary.

#### OWNERSHIP

The person in whose name the horse is entered will be held responsible for abiding by the General Rules and Regulations of the Show concerned and indemnifying it against any claims for damages, etc., which may arise. Horses registered with Sport Horse Breeding of Great Britain or any other Authority must be shown with their registered name, age and description. **A change of name is not allowed. Anyone concealing a previously registered name will be disqualified.** If a Horse changes ownership after the closing date of entries, it can be exhibited in the name of the new owner provided it is re-registered with Sport Horse Breeding of Great Britain before the catalogue is printed. The person signing the registration form is taken to be the rightful owner of the horse or the owner's properly authorised representative. On being made aware of any dispute over the ownership of a horse, the Society will make no amendment to its existing records until the dispute has been resolved by the parties concerned.

#### DESCRIPTIONS

It is the responsibility of exhibitors to ensure that the information given on show entry forms is accurate.

#### AGE

All ages date from 1st January, e.g. a foal becomes a yearling on the first day of the January following that of its birth.

#### SUBSTITUTES

Only entries actually printed in the correct Class in the Show Catalogue are eligible to compete. No substitution of a horse is allowed after the closing date of entries.

#### TACK

No tack may be worn which in any way conceals an animal's conformation. No rugs, clothing or item of tack that reveals the identity of a horse or owner may be worn in the show ring. The Society is in favour of four-year-olds being shown in snaffle bridles.

## HEADWEAR

Anyone on a horse at an Affiliated Show must wear a hard hat.

A skull cap or hat and safety harness according to the current BSI or European Standard must be worn by ALL competitors in jumping phase of Working Hunter and Ridden Sport Horse Classes. Skull caps must have a navy blue or black cover. In all other classes, including in hand, it is **STRONGLY RECOMMENDED** that competitors aged 18 or over wear skull caps or hats in accordance with the current approved BSI or European Standard in order to minimise risk of head injury. It is mandatory for competitors under the age of 18 to wear such skull caps or hats.

## AMATEUR

A person is an amateur for showing purposes, when showing ridden hunters in an amateur class, if he or she does not:

- a) Engage in livery, buying, selling, dealing or hiring horses as a means of deriving a main source of income. Since 1st January 2009.
- b) Accept remuneration whether it be monetary or goods in kind for employment in connection with horses in a racing, showing or livery stable or riding school (instruction at Pony Club and Riding Club excepted). Since 1st January 2009.
- c) Show a horse owned or sponsored by a company or commercial firm, or a horse for which his or her immediate family accepts livery or training charges from a person outside the immediate concern. Since 1st January 2009.
- d) Show a horse which a professional rider has qualified in the Weight or Small Ridden Hunter Classes for either the Horse of the Year Show or the Royal International Horse Show during the current year, unless the horse has subsequently been re-registered under new ownership.
- e) Professional show persons must not enter the Amateur Ring whilst the classes are in progress.
- f) A professional rider must not ride or exercise an amateur's horse on the day it is competing in amateur classes.

## SAFETY/INSURANCE

The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

## DOGS

Dogs will only be permitted in the car and lorry parks. Dogs will not be allowed in the competition or public areas, or the cafeteria and stables by the indoor school.

## OBJECTIONS

Objections of any kind must be made in writing, and delivered to the Secretary, within one hour of the close of the judging of the class concerned, accompanied by a deposit of Two Hundred & Fifty Pounds, which deposit will be forfeited if the objection should prove to be frivolous. The Objector must also state the particular and precise character of his objection. All objections will be decided by the Stewards, whose decision will be final.

## PRIZES

Judges have the power to withhold any prize in cases where they consider the exhibits to be of insufficient merit.

There will be no parade of prize winners, so unless required for a Championship or for the Produce Group Class, horses can be removed from the Showground as soon as the class in which they are entered has been judged.

## ENTRIES

In the event of the total number of entries received exceeding the accommodation at the Society's disposal, it reserves the right to return any entry fee before the opening of the Show without being liable for compensation.

The Society reserves the right to amalgamate classes in the event of insufficient entries.

Every effort will be made for classes not to clash, but once a class has started a horse cannot leave the ring to compete in another class and then return to the original class.

## VETERINARY EXAMINATION

There will be no veterinary examination in connection with the Show but Judges are empowered to call upon the services of one of the Official Veterinary Surgeons if there be any doubt as to the soundness of any exhibit.

## STABLING

Stable hire is charged at a cost of £40 per stable per night, £65 for 2 nights and £90 for 3 nights and runs from 5pm to 5pm on the subsequent day (the hire charge includes some bedding). Any rider can present up to three horses in each class. Horses come into the ring individually and give a short ridden display of approx. one minute to be marked out of 20. They then proceed straight into the jumping phase. The jumping course will consist of a mixture of coloured and rustic fences and produce a minimum of eight jumping efforts each of which will be marked out of 10 at the Judge's discretion. There is no set penalty for a pole down or run out but three refusals or fall of horse or rider results in elimination. All horses, unless eliminated, are required to come back without saddles for conformation assessment to be marked out of 50. No hind boots or bandages of any description are allowed in the collecting ring, warm up or in the actual class.
