This does not apply to Novice Working Hunter Classes. Any horse that qualifies for Horse of the Year Show in a Ridden Hunter Class (not including Working Hunter Classes) will not be eligible to compete in Novice classes from 1st January the following year, but horses that qualified for HOYS as a 4 year old are exempt.
- l) NOVICE WORKING HUNTER A mare, gelding **or stallion (competing stallions must have a red, white and blue ribbon displayed in their tail)** four years old and over not to have won a total of £200, excluding championship prize money, (or equivalent values) in prize money in any SHB(GB) affiliated Working Hunter Class, or more than 25 BE points or £200 BSJA Show-jumping, at home or equivalent abroad before 1st January in the relevant year. Fences in Novice Working Hunter classes should have a minimum height of 0.85m (2'9") and a maximum height of 1.00m (3'3"). **Working Hunters should initially be called in and lined up in random order. Working Hunters may compete 'Hors Concours' in Novice Working Hunter classes in the jumping phase only at the discretion of the show secretary but the horse cannot compete in any other Working Hunter classes for the duration of that show.**
- m) RESTRICTED OPEN WORKING HUNTER - A mare, gelding **or stallion (competing stallions must have a red, white and blue ribbon displayed in their tail)** four years old and over not to have won a total of £400, excluding championship prize money, (or equivalent values) in prize money in any Working Hunter class, or more than 45 BE points or £400 BSJA Show-Jumping, at home or equivalent abroad before 1st January in the relevant year. Maximum height of fences 3'6" (1.07m). **Working Hunters should initially be called in and lined up in random order. Working Hunters may compete 'Hors Concours' in Restricted Open Working Hunter classes in the jumping phase only at the discretion of the show secretary but the horse cannot compete in any other Working Hunter classes for the duration of that show.**
- n) WORKING HUNTER A mare, gelding **or stallion (competing stallions must have a red, white and blue ribbon displayed in their tail)** four years old and over exceeding 148cm (14.2hh approx) to be judged in accordance with the rules herein set out. Grade A Show-jumpers and Advanced Event horses are not eligible to compete in these Classes. Any horse which has qualified as a Grade A

Show Jumper or Advanced Event Horse as at 1st January in the current year is not eligible to compete in Working Hunter classes. To be judged 60% for jumping performance, 40% as for Hunter Classes. The jumping to be judged 40% for actual jumping and 20% style and presence. Ride and conformation 40%. Fences to be a minimum of 8 and a maximum of 12 in number and a maximum height of 1.14m (3ft 9ins) at the discretion of the Judges. Fences should have a natural appearance and not be easily dislodged. No un-numbered obstacle can be included in the course. The manner of going to be taken into account. No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, in which case, in order to allow the judge to ride, the saddle may be changed for the riding phase only). A rider can ride up to two horses in the jumping phase but then must select only one horse to take forward into the ride and conformation section if so required (no change of rider is allowed). A skull cap or hat and safety harness according to the current approved BSI or European Standard must be worn by ALL competitors in the jumping phase of Working Hunter Classes. Skull caps must have a navy blue or black cover. No hind boots or bandages of any description are allowed in the collecting ring, warm up or in the actual class. On completion of the jumping phase all clear rounds and any other horses the judges may require should be asked to return to the ring. If a horse positively stops, ceases to go forwards at any time during its jumping round, or turns its quarters to a fence, or has a complete turnaround these constitute refusals. If a horse jumps the incorrect fence out of a pen or lane it will be eliminated. Horses displaying continued disobedience, or horses leaving the ring whether mounted or dismounted will be eliminated. **Working Hunters should initially be called in and lined up in random order.**

**Penalties:**

First Refusal	15
Second Refusal	20
Third Refusal	Elimination
Jumping Knockdown	10 (BSJA Rules apply for the definition of a knockdown)
Fall of Horse or Rider	Elimination

Where there are two classes scheduled, the division of weights should be:

Lightweight Mare or gelding, 4 years old or over, capable of carrying 13 stone and under.  
 Heavyweight Mare or gelding, 4 years old or over, capable of carrying over 13 stone.

Horses with minus scores will not be required for the second phase of the class.

If Shows wish, in order to save time, they can use two Judges, one of whom would judge the conformation and need not necessarily be on the Ridden Hunter Panel. It is suggested that the Judge of the Hunter Breeding Classes be asked to judge the conformation of the Working Hunter Class while the other Judge is judging the ride. Horses must not be ridden by the Judge in the same ring and at the same time as other horses are jumping. Suitable fences of natural appearance must be available. Judges will not jump horses in Working Hunter Classes.

Where there is a separate Judge for the conformation, marks should be divided equally, ie:

Judge A	Ride	20%
Judge B	Conformation	20%

In the event of a tie in marks, the conformation mark will take precedence, followed by the ride mark, followed by the style mark.

Judges should satisfy themselves that the course and fences are in keeping with the Society's recommendations, and Shows should allow time for this. Working Hunter courses are not to be walked by competitors until the judge has given permission. There must be a change of course between Novice, Restricted Open and Open Working Hunter classes.

**WORKING HUNTER CHAMPIONSHIPS**

In Working Hunter Championships jumping marks should be taken into consideration.

- o) **AMATEUR WORKING HUNTER CLASSES** These classes will be run under the Society's Amateur rules and judged the same as the Working Hunter Classes but fences will not exceed 3' 6" (1.07m). **Working Hunters should initially be called in and lined up in random order.**
- p) **SMALL HUNTER** Any mare or gelding, 4 years old or over exceeding 148 cm (14.2hh approx) but not exceeding 158 cm (15.2hh approx). A horse, which is registered as a Small Hunter, cannot compete in an Open Weight Class. When registering on the current Show Hunter Register, a current Joint Measurement Board Height Certificate must be forwarded with the application. Judges are not empowered to question the height of a Registered Small Hunter.
- q) **SMALL HUNTER YOUNGSTOCK** Any colt, gelding or filly estimated not to reach over 158 cm (15.2hh approx) at maturity.

**5. DISCIPLINARY COMMITTEE In accordance with Article 6.4 of the Society's Memorandum & Articles of Association**

**5.1 The Disciplinary Committee shall be appointed by the Council of the Society and shall comprise such persons as the Council shall decide but so that at least three members of the Disciplinary Committee shall sit on any hearing.**

**5.2 The Disciplinary Committee may consider whether a Member has breached the Rules either of its own motion or, in accordance with rule 5.3, on a breach of the Rules being brought to the attention of the Society.**

- 5.3 Any alleged breach of these Rules must be brought to the attention of the Society within 21 days when the alleged breach will be referred to the Disciplinary Committee. A reference by any person other than an official of, or appointed by, the Society or a representative of an affiliated Show shall be accompanied by a deposit of £100 or such sum as the Council shall decide, which will be forfeited if the reference should be considered by the Disciplinary Committee to be frivolous.**
- 5.4 The Disciplinary Committee shall determine whether there has been a breach of these Rules by a method of enquiry at its discretion. If in its opinion there has been such a breach it will decide to take no further action or to impose such penalties as it thinks fit including financial penalties and suspension of membership, or to recommend to the Council that it determines to remove membership from the Member in accordance with Article 1.5.4 of the Society's Articles of Association.**
- 5.5 The decision of the Disciplinary Committee will be confirmed in writing to any person who has referred the matter to the Society and to the Member to whom the decision relates.**
- 5.6 The Disciplinary Committee may in its absolute discretion order the person against whom an allegation has been made, or the person making an allegation, to pay all or part of the costs incurred by the Society in investigating and determining whether or not there has been a breach of the Rules.**
- 5.7 When investigating allegations and/or findings of doping, the Disciplinary Committee will conduct its proceedings in accordance with the rule 23 c (Doping & Dope Tests, Penalties).**

## **6. APPEALS COMMITTEE**

Any owner or rider of a horse in a particular class covered by these General Rules who is aggrieved by the decision of the Committee shall be entitled to appeal to the Appeals Committee. The appellant shall lodge a notice of appeal to the Secretary of the Society within seven days of the decision, together with a deposit of £750 or such sum as the Council shall decide, which shall be forfeited unless the Appeals Committee shall decide that there were good and reasonable grounds for the appeal. There shall be three persons who shall act as the Appeals Committee who shall be appointed by the Chairman for the time being of the Council of the Society.

## **7. NOTICES**

A notice shall be considered to be properly served:

- a) At the time of service if it is served personally or posted to the address of the member as set out in the Society's list of members or on a particular show's completed entry form or to the registered office of the Society as the case may be.
- b) 24 hours after it is posted (excluding the hours of any day which is not a working day) if served by first class post at the address referred to in (a) above.
- c) At the time of transmission if it is served by facsimile transmission.

## **8. DISPUTES**

The person signing the registration form is taken to be the rightful owner of the horse or the owner's properly authorised representative. On being made aware of any dispute over the ownership of a horse the Society will send a Notice to the last registered owner in accordance with Clause 5 above who shall confirm the dispute and provide details of it in writing within 14 days of receipt of the notice. If no confirmation is received by the Society within the period the Society will amend its records and register the name of the new owner.

## **INSTRUCTIONS TO MEMBERS, OWNERS AND RIDERS**

### **9. OWNERSHIP**

The person signing the registration form is taken to be the rightful owner of the horse or the owner's properly authorised representative. In cases whereby the horse appears to have been sold by someone other than the last registered owner, the Society will in accordance with Clause 5 above write to the last recorded owner on its records to try and obtain confirmation that the horse is no longer in his/her ownership. If no confirmation is received by the Society within 14 days of receipt of the notice the Society will amend its records and register the name of the new owner. On being made aware of any dispute over the ownership of a horse see Clause 5 Disputes - above. Full details of any horse, registered with the Society, that is stolen should be notified to the Society as soon as possible.

The person in whose name the horse is entered at an affiliated show will be held responsible both for abiding by the General Rules and Regulations of the Show concerned and for indemnifying that Show against any claims for damages which may arise. If a horse changes ownership after the closing date of entries, it must be re-registered in the name of the new owner before it is eligible to be shown, although it may not be possible to change the details printed in the catalogue.

Horses registered with the Society must be shown with their registered name, age and description. Where a horse is also registered with another society or body, this must be disclosed to the Society, together with details of name, age and description on that particular register. A change of name is not allowed. Anyone concealing a previously registered name will be referred to the Disciplinary Committee.

## 10. DESCRIPTIONS

It is the responsibility of exhibitors to ensure that both the information given on show entry forms is accurate and that horses compete in their correct weight class.

No exhibitor may enter and show a horse under a Judge whom they know or should have known to have bred, sold, produced or received financial gain from that horse. (Stud fees are exempt from financial gain.)

At no time should an exhibitor attempt to influence a judge by offering any information, regarding their exhibit, for effect.

## 11. CLASSIFICATION

Show Hunters **MUST** be exhibited in the weight class in which they are entered and catalogued, unless:

- a) an application to change weight classes has been received by the SHB(GB) office, together with the original Show Hunter Certificate in time for the office to notify the Show of any change only one weight change per season is permitted **OR**
- b) if a Judge considers an animal to be up to more than the specified weight, he will transfer it to a higher weight class. If a horse is transferred into a higher weight class by the Judges on more than one occasion, the owner must inform the Society immediately and the animal's registration will be amended. Owners can appeal against this decision if they think fit, in which case the Society will appoint a Referee to give a final decision.

## 12. RESTRICTIONS ON ENTRIES

No horse may be entered in both a Ridden Hunter and Ridden Hack or Riding Horse Class at the same show. **This does not apply to Working Hunter and Ridden Sport Horse classes.**

Grade A Show-jumpers and Advanced Eventers are not eligible to compete in Working Hunter classes. Any horse who has qualified as a Grade A Show Jumper or Advanced Event Horse as at 1st January in the current year is not eligible to compete in Working Hunter classes.

## 13. CHANGE OF RIDER OR TACK

No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, in which case, in order to allow the judge to ride, the saddle may be changed for the riding phase only).

## 14. FALL OF HORSE OR RIDER

**In the event of a fall of either horse or rider in any ridden class, that exhibit will be asked to retire and must not be remounted in the ring.**

## 15. QUALIFYING CLASSES FOR CHAMPIONSHIP SHOWS

Only horses registered with SHB (GB) and who are also registered on the current year's Show Hunter Register are eligible to enter in Qualifying Classes for Ridden and Working Hunter Championships and the Show Hunter Registration Number must be quoted on all entry forms. Any horse that is entered for a Qualifying Class without first being on the Show Hunter Register cannot subsequently be registered and therefore will not be eligible for entry in any qualifying classes for the remainder of the season.

The Society shall determine from year to year at which show(s) their Ridden Hunter and Working Hunter Championships shall be held.

## 16. HUNTER BREEDING CLASSES

Hunter Breeding Classes are open to the produce of any Stallion and should not be confined to animals sired by Thoroughbreds.

Foals up to three months old may be entered, but must subsequently be registered. Foals un-named will be recorded under their dam. Two and three-year-old Brood Mares are not allowed to enter in Youngstock Classes.

Manners will be taken into account in Hunter Breeding classes.

- a) Brood Mares

To be eligible for Hunter Brood Mare classes mares must have their own foal at foot. Mares which have not yet foaled or that have lost their foals are not eligible to enter.

- b) Foals

To be eligible to enter Hunter Foal classes a foal must be the progeny of a mare entered in the previous class. All foals must be at least three weeks old on the day of the show.

- c) Brood Mare Premiums

The Society offers Brood Mare Premiums at selected affiliated shows, but premiums will only be awarded if there are a minimum of three mares forward per class. The premium takes the form of a Service Voucher, the value of which is to be determined from time to time by the Society, awarded at the Judge's discretion to their selection from the monetary prize winners, to be used towards the cost of covering the mare by any SHB (GB) Graded Stallion or Life Approved Premium Stallion that is properly registered for the year of covering. The Service Voucher may be used in either of the two years following the year of that award. The owner must be, or become, a fully paid up member of SHB(GB) in order to be eligible for the award. No mare shall take more than one award per year.

NOTE: Grade I and II mares are eligible to be transferred into the SHB(GB) Stud Book.

d) **Leader**

The Leader who enters the ring with the horse must remain throughout the class. Only in special circumstances and with the permission of the judge may another person be permitted to trot the horse out.

**17. JUDGES**

The onus of a horse being exhibited in a class judged by a person who has had a financial interest in that animal or any animal, which has stood in his stable, etc. must be on the exhibitor. The practice of any owner or their immediate family taking advice on the purchase, schooling, exhibiting or having at livery any horse, from someone and then within three calendar years commencing 1st January 2008 exhibiting in a class which this person is judging is prohibited by the Society (service fees for stallions and keep for mares whilst at stud are excluded). The exhibitor will know who is judging from the schedule, whereas the Judge will not know which animals are coming before him until he arrives in the ring. If there is an unforeseen change of Judge then the exhibitor should stand down from the class.

Judges must not knowingly judge a horse produced by a producer or owner for whom they have shown any horse or who has shown any horse for them within three calendar years commencing 1st January 2008.

The onus is on the Exhibitor not to exhibit animals under a judge who is or has been in their employ or vice versa during the past five years.

The practice of a Judge advising on the purchase of, or exhibiting, or schooling, or having at livery any horses for someone or their immediate family and then judging any horses for the same owner within three calendar years commencing 1st January 2008 is prohibited by this Society (service fees for stallions and keep for mares whilst at stud are excluded). A judge must never judge a horse that has been in their ownership.

**18. JUDGING**

Once a judge has commenced judging a class, a horse or rider may not leave the ring without the permission of the Judge and Ring Steward, nor shall there be any change of rider or leader, except in a Championship Class, when a competitor finds he/she has more than one exhibit eligible to compete.

In the event of the judge falling from an exhibit, they must not remount that exhibit in that class. In the event of a horse falling during a class, that horse must be asked to leave the ring and will not be allowed to compete further in that class. In the event of a judge falling from a horse it is at that judges discretion as to whether they feel fit to continue judging. In the event of the judge not being fit to continue riding, a replacement judge may be found or competitors will be asked to do an individual show.

Competitors will not be allowed to enter the ring after the horses have commenced trotting as a class.

The Judge of the Ladies' Hunter Class should not be invited into the ring for the judging of the Championship of the Ridden Hunter Classes unless the lady concerned has judged all the classes and not, as is usual, the Ladies' Hunter Class only. Notice of this should be given in both the Schedule and the Catalogue of the Show. Prize-winners in Four-year-old Classes need not take part in Hunter Championships. All horses in the Championship must be ridden.

**19. UNSOUNDNESS**

If, in the opinion of the Judge, a horse is unsound, the exhibitor shall be given the option of withdrawing the horse from the class, or being placed at the bottom of the line. If this option is not accepted a Veterinary Surgeon may be called but if not immediately available, then the Judge's decision is final.

**20. MANNERS – IN HAND & RIDDEN CLASSES**

A Judge may ask an exhibitor to remove his horse from the ring, if in his/her opinion the horse or the exhibitor is ill-mannered. If in the opinion of the judge the behaviour of a horse is deemed unacceptable, it will be reported to the Society and will be reassessed at it's next show by a person appointed by the Society.

**21. DRESS AND TURNOUT**

It is the responsibility of exhibitors to ensure that grooms entering the Show Ring are smartly and professionally turned out. Grooms must wear a hat when in the ring. The attention of all exhibitors is drawn to the guidance on dress and turnout at Section 39-54 of these rules.

**22. OBJECTIONS AT SHOWS**

Any objection or complaint relating to the rules of a particular Show Executive should be made to that show's Executive in accordance with the procedure set out in that show's Rules.

**23. DOPING AND DOPE TESTS**

**Warning to Members, Owners and Producers of Horses  
Competing under the Society's Show Regulations**

In common with other similar bodies, the Society takes a very serious view of doping, whether intentional or unintentional. Members, owners and producers should be aware that many proprietary feeds and preparations contain Prohibited Substances as do many foods such as chocolate. The presence in

any form, in a horse being shown, of a substance which could, by its nature, affect its performance, is forbidden. The Society may cause tests to be carried out at any affiliated show on a random basis. The specific rules with regard to doping and dope tests are set out below and any breach thereof constitutes a breach of the General Rules.

The Society does not specify threshold levels for any Prohibited Substances but will have regard to those published by the British Horseracing Authority (BHA) or any subsequent regulatory board from time to time without being bound by them. Feeds and preparations are available which are guaranteed to comply with BHA doping rules. Prohibited Substances can be absorbed through the skin and they are also contained in some homeopathic and herbal remedies. It is the responsibility of the person having custody of a horse, to ensure that nothing is fed, administered or applied to a horse that contains a Prohibited Substance. Ignorance is not an adequate defence.

The identity of a horse must be positively established from its passport, by a Veterinary Surgeon, before any samples are collected. In the event of the passport not being available, the veterinary surgeon must complete a markings identification chart or read any microchip which may already be implanted in the horse. If a markings identification form or microchip number is used to identify the horse, these facts should be entered on the medication control form in place of the passport number. It should be remembered by all owners/producers that under the Horse Passport Regulations it is a legal requirement that all horses should be accompanied by a DEFRA approved passport when the horse is participating in any competitive event.

### PROHIBITED SUBSTANCES

- 1) "Prohibited Substance" means any quantity of any substance originating externally (whether or not indigenous to the horse) which could influence the horse's performance or bearing including without limitation stimulants, depressants, tranquillizers, local anaesthetics, anti-inflammatory agents (including phenylbutazone) antihistamines, muscle relaxants, diuretics and metabolites of any such substance or masking agents and such other substance as may be declared a "Prohibited Substance" in these rules or by the BHA.

The appropriate F.E.I. form must be completed and submitted to the Society's Edenbridge office prior to competing. Please be forewarned that it is considered a banned substance in geldings and stallions.**

- 2) "Substance" includes the metabolites of the substance and the isomers of the substance and metabolites.
- 3) The presence in the tissues, body fluids, excreta, hair or skin of a horse of a Prohibited Substance shall constitute a breach of this Rule.
- 4) "Dope Testing" means the examination of a horse by a duly qualified Veterinary Surgeon appointed by the Society and includes the taking of samples for subsequent analysis of all or any body fluid, tissue, excreta, hair or skin scrapings at the discretion of the person conducting the examination.

## INSTRUCTIONS TO SHOWS

The show rules should clearly state that the show is affiliated to the Society and subject to its rules and that copies of the Society's Rules can be obtained from the Society on request.

### 24. CLASSES

A minimum of two classes, i.e. Light and Heavyweight, should always be scheduled at Affiliated Shows, but Secretaries may use their discretion in combining classes if insufficient entries are forward on the day.

### 25. SCHEDULES AND ENTRIES

The Proof of the Show Prize Schedule must be sent to the Society's Office for approval before printing. Prize Schedules must be sent to the Society as soon as they are available.

A complete list of the entries must be sent to the Secretary for checking before the catalogue goes to print or where late entries are taken the Show Secretary must have sight of the horse's registration document and take a note of the horses name and SHB(GB) registration number and this information must be forwarded onto the Society's Office with the results after the show. In the case where the show produces a catalogue it should not be printed until the corrected proofs have been received and appropriate amendments made. Any exhibit found not to be correctly registered will be disqualified.

### 26. MARKED CATALOGUES

Secretaries are required to send a marked catalogue or results sheet to the Secretary of the Society, 96 High Street, Edenbridge, Kent TN8 5AR, giving details of the prizes awarded in all the Hunter & Sport Horse Classes within ten days of the date of the Show.

### 27. PEDIGREES

In all Classes, the animal's name and, if possible, the name of its sire, must be printed in the Show Catalogue. (As a Breeding Society, the Society would like as much information as possible, particularly in the Young Stock Classes, i.e. Sire, Dam and Breeder.) Un-named animals should be described by sex and colour.

### 28. AGE

All ages date from 1st January, e.g. a foal becomes a yearling on the first day of January following the date of its birth.

### 29. IDENTIFICATION AND MARKINGS

All entries in Hunter Classes and Sport Horse Classes must be on the Society's Basic Identity Record or Stud Book.

There must be no alteration to the natural markings of a horse.

### 30. SUBSTITUTES

No substitution of a horse is allowed.

### 31. SAFETY/INSURANCE

Affiliated Shows are required to ensure that they have adequate insurance cover for Judges.

The following General Regulation should be included in Prize Schedules and Show Catalogues:

"The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards."

### 32. SCORE SHEETS AND JUDGING

It is essential that Judges have an efficient marking Steward, but they are solely responsible for the accuracy of the results. Score sheets will be supplied by the Society on request to all Affiliated Shows. All Judges are requested to explain to the Score Sheet Steward the correct method for filling in the sheets and to check the correct sheet is being used. It is suggested that all Judges should carry some spare score sheets with them in case the Show has mislaid those sent by the Society. Exhibitors must be allowed to examine the score sheets after the class has ended.

### 33. SMALL HUNTER YOUNGSTOCK

Shows which stage classes for Small Hunter Young Stock, should arrange their programme, so that Judges can transfer any animal that does not measure under the scale of heights laid down, into one of the open led classes.

### 34. CHANGE OF JUDGE

If it becomes necessary, due to accident or illness, etc., to bring in a Judge as substitute for the person named in the Prize Schedule, Shows must try and inform all exhibitors before the Show takes place and refund the entry fees of any exhibitors who may be prevented from showing due to the substitute Judge having had an interest in their horse. Everything possible should be done to avoid exhibitors getting to the Show and then finding out that they are not eligible to be judged.

### 35. PROBATIONARY JUDGES

The Society hopes that Affiliated Shows will allow Probationary Judges, who will not expect to be offered any expenses, to officiate with a Senior Judge from the Panel. If the name of the Probationary Judge officiating has not appeared in the Prize Schedule, then this should be announced before the first class is judged. In Non Qualifying Ridden Hunter Classes, Probationary Judges are only allowed to ride with the Exhibitor's permission. Probationary Judges may officiate with the Conformation Judge only, in qualifying classes but may officiate in either section in non qualifying classes subject to the usual permission.

### 36. SELECTION OF JUDGES

All Affiliated Shows must select Judges from the Society's Panel of Judges. Judges must be informed whether they are being invited to judge the ride or conformation sections. The names of the Judges and the section in which they are officiating must be clearly stated in the show schedule. The same Judges must officiate on the same sections in all weight classes. Although every effort will be made, it may not be possible for the Judge to ride every horse in the class.

The Judge of the Ladies' Hunter Class should not be invited into the ring for the judging of the Championship of the Ridden Hunter Classes unless the lady concerned has judged all the classes and not, as is usual, the Ladies' Hunter Class only. Notice of this should be given in both the Schedule and the Catalogue of the Show. Prize-winners in Four-year-old Classes need not take part in Hunter Championships.

Saddles must not be removed from four year olds and Ladies Hunters prior to the horse being ridden by the judge.

### 37. HUNTER BREEDING CLASSES

Judges for Hunter Breeding Classes must be selected from the Society's Panel for Hunter Breeding Classes. All entries must be registered with SHB(GB). An entry cannot be substituted after the closing date of entries.

The Society requires all affiliated shows if they are holding a Hunter Breeding Section to offer Hunter Brood Mare with own Foal at Foot, Hunter Foal, Hunter Yearling, Hunter Two-Year-Old and Hunter Three Year Old classes. Show Secretaries may use their discretion in combining classes **at the close of entries** if **there are** insufficient entries.

### 38. SPORT HORSE BREEDING CLASSES

Judges for Sport Horse breeding classes must be selected from the Society's panel of Sport Horse Judges. Shows holding Hunter Breeding and Sport Horse Breeding classes must select two separate judges.

**The Society requires all affiliated shows if they are holding a Sport Horse Breeding Section to offer Sport Horse Brood Mare with own Foal at Foot, Sport Horse Foal, Sport Horse Yearling, Sport Horse Two-Year-Old and Sport Horse Three Year Old classes. Show Secretaries may use their discretion in combining classes at the close of entries if there are insufficient entries.**

### 39. WORKING HUNTER CLASSES

There must be a change of course between Novice, Restricted Open and Open Working Hunter classes.

### 40. CHAMPIONSHIP SHOWS

The Championship Shows are the Horse of the Year Show ("HOYS"), the Royal International Horse Show ("RIHS") and The National Hunter Supreme Championship Show ("NHSCS").

Horses must be entered for these Shows in the same weight classes in which they have qualified.

#### a) HORSE OF THE YEAR SHOW ("HOYS")

*The Society designates certain shows where horses may qualify for the HOYS in the current year. In the Lightweight, Middleweight, Heavyweight, Ladies and Small Hunter Classes, the highest placed **unqualified** horse in **the first four** will qualify to enter at the HOYS. No horse lower than **fourth** will qualify.*

*In the Working Hunter Class, the highest placed **unqualified** horse **in the first four** will qualify to enter at the HOYS. No horse lower than **fourth** place will qualify. If there are two Working Hunter Classes, i.e. a Lightweight and Heavyweight Class, then there must be a Championship Class to determine which horse qualifies. Both classes will be jumped over the same course and height, unless special dispensation is given by the Society. When judging the Championship Judges will use the marks they have already allocated as a guide. The highest placed **unqualified** horse **in the Championship** will qualify for HOYS. The Championship is only open to the first and second prize winners in the light and heavyweight Working Hunter classes respectively.*

#### b) ROYAL INTERNATIONAL HORSE SHOW ("RIHS")

*The Society designates certain Shows as qualifying shows for the RIHS at which horses may qualify for the RIHS in the current year or at specific shows for the following year. At these Shows the two highest placed horses in the Lightweight, Middleweight, Heavyweight, Small and Ladies (side saddle) Classes will qualify to enter at the RIHS. No horse lower than second will qualify. All regulations applicable to HOYS*

qualifiers will apply also to RIHS qualifiers. In the Working Hunter class the three highest placed horses will qualify unless they have already done so. No horse lower than third will qualify. If there is a Working Hunter Championship made up of the first and second prize winners from the light and heavyweight working hunter classes respectively, these four horses will qualify for RIHS unless they have already done so. The first three highest placed horses in the Amateur Ridden Classes will qualify. No horse placed lower than third will qualify.

c) **THE NATIONAL HUNTER SUPREME CHAMPIONSHIP SHOW (“NHSCS”)**

The Society designates certain Shows as qualifying shows for the NHSCS at which horses may qualify for the NHSCS in the current year. At these Shows the three highest placed horses in the Lightweight, Middleweight, Heavyweight and Small Classes will qualify to enter at the NHSCS. No horse lower than third will qualify. All regulations applicable to the HOYS qualifiers will also apply to NHSCS qualifiers.

## PROBATIONARY JUDGES

---

It is suggested that when only one Judge is appointed to officiate on the Hunter Classes, one of these Probationary Judges should be asked to judge with him/her. In this way they will gain experience of judging in the ring. Shows are not expected to pay Probationary Judges' expenses. Probationary Judges are allowed to officiate with the Conformation Judge only, in Qualifying Classes for The Royal International Horse Show, Horse of the Year Show or National Hunter Supreme Championship Show.

Probationary Judges must appear in the ring properly dressed and wearing hard hats. Probationary Judges officiating in Ridden Hunter Classes may only ride with the exhibitor's permission. Probationary Judges must not accompany a Senior Judge who has supported their initial application, or to whom they are related in any way. They must have accompanied at least 3 different Senior Judges before re-applying for the Senior Panel within two years. Please note that at least one of the probationary judging appointments undertaken must be in a Working Hunter class. \* Indicates Breeding Classes only. To be included on the Probationary Panel a judge will be a minimum of **25** years of age and a maximum of 60. All judges must be fully paid up Members of the Society.

Judges MUST wear a skull cap or hat and safety harness according to the current approved BSI or European standard.

A **probationary** judge may not compete in ANY class on the same day as they are judging for Sport Horse Breeding (GB).

A **probationary** judge may not compete AND judge in any Sport Horse Breeding (GB) Classes on any day for the duration of that show.
